MARYVILLE, MISSOURI, SATURDAY, APRIL 26, 1913.

NO. 281.

DAVID WON FIRST

MARYVILLE JUNIOR RECEIVED GOLD MEDAL IN ORATORY.

DECLAMATORY, ST. JOE

Miss Hazel Vaughn First in Girls' Contest, While the Essay Medal Went to A. Flen Baker of Platte City.

The Winners.

Girls' declamatory—First, Hazel Vaughn, St. Joseph Central, "Arm-gart," by Eliot; second, Lucile McHugh, Maitland, "The Bear Story," by Riley; third, Pansy Kenower, Breckenridge, "The Famine," by Longfellow.

Boys' oratorical—First, Roy David, Maryville, "The New South," by Grady; second, Joe Fisher, Grant City, "Give Me Liberty or Death," by Henry; third, Paul Park, Tarkio, "The Philippine Question," by Beveridge.

The essay contest—First, A. Flen Baker, Platte City, "Back to the Farm;" second, Hattie Gardner, Grant City, "The Moving Picture, a Factor in Education;" third, Miss Floy Porter, Plattsburg, "The Moving Picture, a Factor in Education."

Never before in its brief history has the Normal auditorium seen such a demonstration as burst forth from the immense crowd gathered there Friday night to witness the Northwest Missouri inter-high school literary contests, when Roy David, a student in the Maryville high school, was announced as winner of first place in the oratorical contest. Even before the judges rendered their decisions, there was little doubt in the minds of the majority of the assemblage that David would be declared the winner. He launched into his subject, "The New South," by Grady, with the air and confidence of a veteran speaker, and finished amidst a tremendous roar of applause from friend and foe alike. The victor is a junior in the local high school and makes his home with his sister, Mrs. S. T. Gile, on East Edward street.

The other contestants who qualified in the finals of the girls' declamatory contest were Miss Leora Kime of Westboro and Miss Pauline Jones of Platte City.

Seth Herndon of Plattsburg and Heber Hunt of Platte City qualified in the finals in the oratorical.

While the crowd was filling the big auditorium and at intervals during the declamations and orations the St. Joseph Central high school orchestra gave delightful music. It is indeed wonderful that so excellent an organization can be kept together in connection with the regular school work, and shows that it is not work that kills, but it is the diversions and pleasures of student life that fit them for still better work and that the exercise and development of the artistic tastes are as necessary as the circulation of the blood and the exercise of muscle. There are fifty pieces in the orchestra. The production of their pieces and the selection of music is close to the work of artists. It is a credit to St. Joseph that high school boys and girls can maintain such an orchestra. The cornet solo by Mr. Lloyd Thompson and the violin solo by Miss Fay Maupin stirred the whole audience, and beautiful encore numbers were given in response to the reception given their first numbers. The St. Joseph high school orchestra may come to Maryville any time it wants to and everybody will turn out to give it the welcome it so richly deserves. We're simply crazy about it.

The judges of the girls' declamatory contest were Professor George H. Beasley of Trenton, Miss Hettie Anthony and Prof. H. P. Swinehart of Maryville.

The judges in the boys' oratorical contest were Prof. J. J. Doty of Shenandoah, Prof. A. R. Coburn of Chillicothe and Miss Mary Hughes of Maryville.

"O say, can you see—"

Oh, why does not a Maryville audience rise to its feet at the first sound of these inspiring words, sung or played? There is no other song in the

world like it, no other air like it. We could not make a mistake. It's our song, so gloriously American, and yet we let a little hand clapping suffice and think we have done all that is necessary. Let's shake ourselves of this gross neglect and make it a habit of ours to stand during the playing of our most beautiful national song and increase our own self-respect.

Last night when the judges retired to make their decisions the orchestra from St. Joseph began its program to entertain the audience while the judges were deliberating. The opening number was a medley of national and other airs, the first being "The Star Spangled Banner." My, but the audience clapped its hands in childish glee! But is that the way for men and women to act? Many visitors in the city looked around and moved uneasily, but the greater part by far of the audience was composed of Maryville people. They should have started to rise first.

In a little bit, when the music came to "Tis the star spangled banner," a St. Joseph high school girl could stand it no longer. She rose and quietly stood. Presently other St. Joseph people stood, then scattering numbers of Maryville people and other visitors in town.

The St. Joseph high school girl would have been altogether excusable if she had not known what the orchestra was playing, for she was one of the contestants, and no doubt her heart was all in a flutter about that time along with the other contestants. As she stood, the Maitland girl beside her stood also, and both looked in open-eyed wonder at the complacently seated people before them. A little embarrassed, they sat down again when the orchestra began another air.

We hope Maryville people will remember the act of Miss Hazel Vaughn, first winner in the contest. We would efface from her mind, if we could, the memory of such thoughtlessness upon our part, especially upon such an occasion. For every man and woman and boy and girl or us would strike for our altars and our fires and the green graves of our sires and God and our native land and everything just as fast and quick as anybody on American soil, but we just let our blessed old G. A. R. fellows and W. R. C. girls do all the reverent acts to "Old Glory"—and, to tell the truth, we are downright ashamed of it.

Fire Near Bedison.

The seven-room house belonging to Lule Anderson of this city, located about half a mile west of Bedison, was totally destroyed by fire Friday night. The house was occupied by Mr. Anderson's son, Wm. Anderson. There was \$600 insurance on the house.

Taken to Hospital.

Mrs. H. F. McDougal, wife of City Editor McDougal of the Tribune, was taken to St. Francis hospital Saturday afternoon and will have an operation performed Monday.

MISS LILLA GILBERT.

Society Girl Who Is To Wed Man Different From Her "Ideal" Mate.

By Marceau.

Miss Gilbert, who is the \$15,000,000 heiress of Mr. and Mrs. H. Bramhall Gilbert of New York, will marry Howard Price Renshaw, himself a millionaire and society man. Miss Gilbert once said her ideal husband must be six feet tall and a brunette, clean shaven, a Republican and Episcopalian, a money maker, have a curl over his left ear and be fond of pigs and poultry. Mr. Renshaw lives up to none of these qualifications except that he is six feet tall.

MAKE NO CHANGE

MAYOR WILL RE-APPOINT CITY OFFICERS FRIDAY.

A NEW CITY ATTORNEY

Removal of W. E. Wiles Will Make a Vacancy for Which There Will Be Several Applicants.

At the regular council meeting in May, to be held next Friday evening, Mayor Arthur S. Robey will commence the second year of his second administration as chief executive of this city. At this meeting Mayor Robey will make his various appointments to serve during the coming year.

The appointments to be made are a city attorney, city clerk, night policeman, street commissioner, city physician, chief of fire department and members of the fire department, city engineer and weighmaster. There will probably be no changes made, and those who have held these positions during the past year will probably be re-appointed.

As W. E. Wiles, who has been city attorney, intends to leave June 1 for Cherokee, Okla., where he will locate for the practice of law, a new city attorney will be selected at that time. There will probably be several applicants after this position.

C. L. Gann will be selected again as city clerk, and F. L. Flynt as city engineer, Dr. A. T. Fisher as city physician, Marion L. Woods as street commissioner, Paul Edwards as night policeman, Burl Rowley as chief of the fire department and the same members of the fire department that have served during the past year will all be re-appointed by Mayor Robey. J. W. Armstrong, who has been weighmaster, will probably not apply for that position again.

Mayor Robey will name the committees of the council at this meeting.

DEATH AT SKIDMORE.

W. F. Willits, a Carpenter of That Place Succumbed to Tuberculosis of the Spine.

William Fisher Willits, for several years a carpenter of Skidmore, died Saturday morning at 7:50 o'clock of tuberculosis of the spine, from which he had been ill a year, and had been unable to work at his trade for several years.

The funeral services will be held at Braddyville, Ia., Sunday afternoon at 2 o'clock in the Braddyville M. E. church and burial will take place there.

Mr. Willits was born in Hillsdale, Mich., sixty-four years ago the 24th day of January. When he was 10 years old he went with his parents to Page county, Ia., to make his home. On the 7th day of June, 1874, he married Sarah Adaline Short of Riley county, Kansas. Three children were born to them, two dying in childhood. A son, Ira Willits of Skidmore, survives with the wife. In 1905 the family came to Missouri to live, residing a year at Forest City, and since that time have lived at Skidmore.

Mr. Willits had been a member of the Methodist church since childhood and had always lived a Christian life.

INSURANCE STATISTICS.

Official Figures Taken From the Reports of the State Insurance Department.

According to the "dope" sent out by the fire insurance companies the following statistics as to the fire insurance business in Missouri are taken from the reports of the Missouri insurance department, and they say are official. The figures show that for the past three years the business has been done at a loss since with an expense ratio of over 40 per cent a loss ratio of 60 per cent or over means that the company is paying out more than it takes in. During the past two years the fire insurance companies have paid out over \$1.10 for every dollar of premiums received in the state.

DISLOCATED HIS ANKLE.

One Track Meet Boy, Leon Lane of Bethany, Hurt in Accident on Track This Morning.

Leon Lane, one of the boys entered for the track meet from the Bethany high school, dislocated his ankle while running in the 100-yard dash at the preliminaries held this morning. His injury was very painful and the accident prevented him from taking part in the meet this afternoon. Superintendent A. E. Wickizer of the Bethany schools, was looking after young Lane and had him taken to the offices of Dr. Nash.

GATHER IN JUNE

CHRISTIAN ENDEAVOR SOCIETY TO HAVE DISTRICT MEETING.

BIG SPECIAL FEATURE

Music With a Large Chorus of Trained Voices an Attraction—Twelve Counties in This District.

The twenty-third annual convention of the Christian Endeavor societies of Northwest Missouri district will meet in Maryville June 29 to 31, inclusive.

This promises to be the largest gathering of young people that has met in Maryville for such purpose. The district comprises twelve counties, and 200 delegates, at least, are expected.

The Christian Endeavor work for Northwest Missouri combines the work of the young people for the Christian and Presbyterian churches of these counties.

Mr. H. J. Becker, director of the Christian church choir and treasurer of the executive board of the district organization, attended the business meeting of the board held in St. Joseph Friday, and plans for the program and convention were discussed. Arrangements were started and it is expected that the program will be ready for publication in a few weeks.

The music for the convention will be made a special feature and will be in charge of Mr. Becker. He expects to have a large chorus well trained for the convention, and special music will be ordered for the four days' events. The place for the convention in Maryville has not been decided on definitely, but it will probably be held in the Christian church.

The counties in the Northwest District Endeavor Union are Nodaway, Andrew, Atchison, Buchanan, Clinton, Caldwell, DeKalb, Davies, Gentry, Holt, Harrison and Worth. The executive committee is composed of H. B. Hamilton, Hamilton, president; Lucile Sawyers, St. Joseph, vice president; Merton Meyer, St. Joseph, secretary; H. J. Becker, Maryville, treasurer. The department superintendents are as follows: Bessie Kline, Savannah, junior, mercy and relief; Cora Carroll, Clarksdale, quiet hour and tenth legion; E. W. Bailey, St. Joseph, evangelistic and good citizenship; Donald Evans, St. Joseph, press, social and introduction.

OFFICERS WERE CHOSEN.

For the Inter-High School Association at a Business Meeting Held Friday Night.

A business meeting of the Northwest Missouri Inter-High School association, which has charge of the literary contests and track meet given in Maryville under the auspices of the Normal school, was held Friday night after the literary contests.

Superintendent A. R. Coburn of the Chillicothe schools was selected as president of the association, F. C. Tontton, principal of the Central high school of St. Joseph, as vice president, Superintendent J. C. Godbey of the Tarkio schools as secretary, W. M. Westbrook, principal of the Maryville high school, as treasurer, and Prof. V. I. Moore of the Normal as corresponding secretary.

WELL REPRESENTED.

Twenty-Seven Are Here From Platte City For the Annual Track Meet.

Platte City is well represented for the track meet today. The team from the high school of that place is composed of ten boys, and they were accompanied by many rooters and friends, there being twenty-seven in all in the party. Col. W. T. Jenkins, editor of the Platte City Lademarck; Clinton Cockrell, Byron Woodson and Prof. A. A. Ross of the schools of Platte City, were in the party from that city. Col. Jenkins has attended the track meets in Maryville ever since the first one given four years ago.

Dr. Martin Home Sunday.

Dr. and Mrs. Vilas Martin expect to arrive in Maryville Sunday morning from Chicago, where Dr. Martin has been a patient in Hahnemann hospital for several weeks, and where he underwent a severe surgical operation. It will be several weeks more before Dr. Martin will be able to attend to his practice.

Mr. and Mrs. Robert Miller of Maitland have moved to Otis, Col., where they have purchased a farm. Mr. Miller left about two weeks ago and Mrs. Miller and children left Saturday morning.

TEACHERS SELECT OFFICERS.

Prof. A. R. Coburn of Chillicothe Heads the Association—The Other Officers Chosen.

At the closing session of the Northwest Missouri Teachers' association, held at the Normal auditorium Friday afternoon officers for the ensuing year were chosen. Superintendent A. R. Coburn of the Chillicothe schools was elected president of the association. The other officers follow:

Superintendent W. R. Lowry of Hopkins, first vice president; County Superintendent Leslie M. Dobbs of Andrew county, second vice president; Miss Elizabeth Brainerd, county superintendent of Grundy county, third vice president; Superintendent A. H. Cooper of the Grant City schools, treasurer; Miss Fannie Hope, Maryville Normal, secretary; County Superintendent W. M. Oakerson, Maryville, railroad secretary.

The following are the resolutions adopted by the association:

We, the committee on resolutions, herewith beg to submit the following: Resolved, That we extend to the Fifth District Normal school our hearty appreciation of the interest in the Northwest Missouri Teachers' association shown by the faculty of the school, and express our thanks for the use of the commodious building and other accommodations.

Resolved, That we extend our thanks to Dean W. F. Barr of Drake university, President Hayes of the Peru Normal school, Peru, Neb., and President DeBra of the Cameron college for the excellent addresses given, and those who have assisted in the music and entertainment.

Resolved, That we express our appreciation to the president, Mrs. Cora Early, for her efforts in securing talent to make the meeting instructive and interesting.

Resolved, That we heartily commend and endorse the recent school legislation enacted by the last general assembly of the state of Missouri. We believe that the new laws enacted by the general assembly will be productive of much good to the public schools of the state of Missouri.

We appreciate the excellent work that the Fifth District Normal school has done in giving the teachers better preparation for work in our public schools and pledge our support to the institution. NELLIE K. SUTTON. ROSS B. WYMER. W. M. OAKERSON.

Mound City Motor Party.

Mr. and Mrs. J. H. Donan, Miss Anna Neale, Miss Alice Brown and Mr. Dwight Donan composed a motor party from Mound City Saturday for the track meet.

Mr. and Mrs. A. O. Vaughn of St. Joseph were among those present at the inter-high declamatory and oratorical contests Friday night. Mr. Vaughn's sister, Miss Hazel Vaughn being one of the contestants.

STEWART E. WHITE.

American Author Who Is Outfitting an Expedition For African Exploration.

Stewart Edward White, the author, is outfitting an expedition at Santa Barbara, Cal., to enter the unexplored parts of Africa. He intends to leave next month for New York, where he will join E. J. Cunningham, who will be his only white companion. It is expected the party will be absent about a year. Every precaution has been taken to safeguard the lives of the distinguished American and his companion during their forays into the unknown dangers of the hitherto inaccessible regions of interior Africa.

RECORDS BROKEN

PRELIMINARY IN 200-YARD DASH AND BROAD JUMP.

100 YARDS, 10 3-5 SEC.

The Track Meet Today Expected to Furnish New Records—Preliminaries Were Exciting.

The fourth annual track meet is being held this afternoon on the Normal athletic field, and twenty-four high schools over the Northwest Normal district are competing in the contest. A large crowd was in attendance, the grand stand being well filled, and all of the high schools entered had large delegations of rooters. The track meet is given under the auspices of the Normal and the inter-high school association of Northwest Missouri.

The weather is a little cool for comfort, but many records will probably be broken. The points will probably be well divided among a number of the schools, and it is hard to tell who will be the winner. St. Joseph Central school will have strong competition to win the meet.

The association record for the 100-yard dash was equaled in the first two trial heats Saturday morning. Niedorp of St. Joseph Central finished first in the first heat and Simpson, the Bosworth star, led the second heat. The time of both was 10 3-5 seconds. Simpson came up to all expectations in the jump events when he broke the hop, step and jump record in the preliminary with a record of 41 feet and 11 inches. This is just a foot better than the former record. E. Miller of Platte City clipped 2-5 of a second off the 220-yard hurdle record when he went that event in 28 seconds flat.

On the 200-yard dash in the preliminary held this morning, Niedorp of St. Joseph Central set a new record with 24 seconds flat.

Simpson of Bosworth broke the running broad jump record with a jump of 19 feet, 11 1/4 inches.

A record crowd for preliminaries was on hand at the athletic field, but the cool wave thinned them out along toward the noon hour.

The special train from St. Joseph on the Burlington arrived in the city this morning at 9 o'clock. There were over 250 passengers on the train, 150 from St. Joseph, 75 from Savannah and several others from Boileau, Rosendale and Barnard. The special had seven coaches. It will return to St. Joseph this evening after the track meet. Most of the visitors were the track teams of the St. Joseph Central and Savannah high schools, and the rooters from these schools. Many came to Maryville Saturday in automobiles for the meet.

ROCKPORT WON GAME.

Defeated the Grant City High School by a Score of 9 to 8—Normal Won Over Bethany.

In the base ball game Friday afternoon between the Rockport and Grant City high schools, the former team won out by a score of 9 to 8, by a brilliant ninth inning rally, in which they counted four runs. Willhite, the Grant City first baseman, lifted one over in the railroad track in the sixth inning for a home run.

The line-up: Rockport—Opp, third base; Walters, center field; Candie, first base; Templeton, second base; Welsh, pitcher; Bailey, left field; Quick, right field; Seaman, shortstop; Rose, pitcher.

Grant City—Marshall, center field; Cloud, shortstop; Willhite, first base; Wilson, catcher; Stevens, third base; Waldman, second base; McElroy, left field; Davidson, right field; W. Willhite, catcher.

Adams and Somerville, umpires. The game Saturday morning between the Normal and Bethany high school was called in the third inning in order to start the preliminaries. The score at that time was 14 to 1 in Normal's favor.

Is Critically Ill.

W. J. McComb, living at Sixth and Fillmore streets, is critically ill and is not expected to live.

Misses Gladys and Helen Tilson of St. Joseph are track meet guests at the home of their uncle, W. R. Tilson, and family.

Find the Good in People.

A contributor to the May American Magazine says:

"If there isn't some good in everyone, what are they here for?"

"Anybody can point out anybody else's bad qualities. If you want to distinguish yourself go around pointing out good qualities."

"Pick out the man whom everyone dislikes. Select the one you feel could best be spared from your office, from your circle of acquaintances, from the community in which you live. Ask yourself if there isn't something good about him."

"Put him on a mental dissecting table. Cut him to pieces and see what's in him. Remember—you are looking for the good. Throw away the bad in him and forget it. Make a list of his good qualities. It will surprise you how many you can find."

"The next time you hear him criticized, tell people the things you know about him—the good things. You'll at least be different and you'll find that it does you more good than it does him."

"How would you feel if you knew that people whenever they talked about you talked only about what was bad in you. You know it's there, plenty of it, but you'd rather not have it talked about. It's much nicer to have only your good points discussed."

"Give the other fellow the kind of a deal you like yourself. If you can say nothing good about him, say nothing. There are mighty few people in the world we can't say something good about if we try. The trouble is, we don't try."

"And yet, the more good you find in other people the more good other people will find in you."

"Women, too, can make this experiment."

Dr. Henry Campbell of Graham was a city visitor Saturday.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists, 75c.
Take Hall's Family Pills for constipation.

Pansies, 35c per doz. Madras Vines and Tuberoses, 40c per doz. etc. All other bulbs and plants ready now in different sizes. We grow our own plants and flowers, our prices are reasonable, and we have thousands of plants to select from for the beautification of home surroundings. No order too small to receive our attention.

Sunday Services at Local Churches

First Church of Christ, Scientist.

Services at this church, located at 206 South Main street, each Sunday morning at 11 o'clock, with Sunday school at 9:45 a. m. Subject of lesson-sermon at 11 o'clock, "Probation After Death." Everyone will be made welcome to all services here.
Prayer meeting each Wednesday evening at 8 o'clock.

First Baptist Church.

Dr. John P. Greene, president of William Jewell college at Liberty, Mo., will occupy the pulpit of the First Baptist church of this city Sunday morning and evening. Dr. Greene is one of the foremost men of the denomination. There will be special music at both services. The other services will be as usual. Sunday school at 9:30 a. m., and B. Y. P. U. at 7 p. m. The preaching services will be at 11 a. m. and 8 p. m.

First Presbyterian Church.

Our services for tomorrow are arranged as follows:

Sunday school at 9:45 a. m.

Morning worship at 11 o'clock. The sermon will be about "Indifference."

Young People's club at 7 p. m. Miss May Murray will have the subject, "My Favorite Bible Character, and Why."

Evening worship at 8 o'clock. The sermon will be entitled "Power."

Wednesday evening a missionary stereopticon lecture will be given on South America.

We shall be glad to have you accept an invitation to these services.

First Christian Church.

Regular preaching services at 10:45 and 8 p. m. by the pastor, Rev. Claude John Miller.

Bible school at 9:30. Junior Endeavor at 2:30.

Intermediate Endeavor at 6:45.

Senior Endeavor at 7 o'clock.

Subject for Intermediate Endeavor and senior, "Mission Work at Home and Abroad—V. Industrial Mission"—Acts 18:1-66. Mrs. J. D. Frank, leader intermediate. The missionary committee leads senior. Special music at both Intermediate and Senior Endeavor.

Morning subject, "Isaiah's Vision and Commission." Evening subject, "The Bible an Indestructible Book."

The evening sermon is the last of the four in the series.

In the morning the choir will sing an anthem by Gounod-Shepherd. In the evening, "Hark, Hark, My Soul," by Lansing.

All are cordially invited to attend these services.

Buchanan Street Methodist Church.

Graded lessons, teachers' meeting, better music and new spirit was the result of the special meeting of the Sunday school last Sunday. We will meet at 9:30 sharp Sunday morning. A lesson worth while. Come and study it with us.

Preaching service at 10:45 a. m. The pastor will speak on "Under Valuing the World." Neither asceticism nor Puritanism is Christianity. We are saved in the world not from the world. True Christianity stands for a full life.

Watch the League grow. It meets at 7 p. m. The pastor spent a year as missionary to the Italians. He will tell some of his experiences.

The subject at the evening preaching service is "The Relation of Athletics to Moral Development." A special invitation is given young people to hear the sermon. While you are thinking about the track meet come and hear the sermon. You are cordially invited to all these services.

JOS. D. RANDOLPH, Pastor.

First Methodist Episcopal Church.

The Sunday school is growing every Sunday. It is a good thing to have new scholars coming. Some of these who have formed the habit of staying away will find a welcome back. You can grow neither too old nor too wise for Sunday school. At 9:30 a. m.

Preaching at 10:45 a. m. by the pastor. Subject of the sermon, "The Missionary Spirit." At the close of the service opportunity will be given for the congregation to make its annual thank offering for missions. The Woman's Foreign Missionary society will have charge of the offering.

The choir will sing "Sing Ye Loud With Gladness," by Schaefer. Solo, "Lord God of Abraham," aria from "Elijah," Mendelssohn.

The Epworth League meets at 7 o'clock. Miss N. Elizabeth Evans leader. Subject, "The Italian in America."

Instrumental prelude at 7:45 p. m. by Mr. Landon and the orchestra.

Preaching at 8 o'clock by the pastor. Subject, "Conscience, Its Use and Abuse." The choir will sing "Holy Father, Hear My Cry," by Chaffin. Duet, Mrs. Charles Moore and Mr. Cox, "Hark, Hark, My Soul," by Shelley.

To all these services you are very cordially invited. Strangers will find a hearty welcome.

REV. G. S. COX.

News of Society and Womens' Clubs

Will Meet Wednesday.

The Dew Drop Inn club meeting has been postponed until Wednesday, April 30, when they will meet at the home of Mrs. Fletcher Dalbey.

Twelve o'Clock Luncheon at Park.

The picnic season was opened at Chautauqua park Saturday noon by a company of girls who ate luncheon there and later took in the track meet. They were Misses Katherine Carpenter, Gladys Holt, Hazel Smith, Geneva Willey, Gladys Ford, Ilene Kemp, Nellie Knappenburger, Edna Hollister, Lola Wright, Golda Roelofson and Edith Anderson.

Closing of Sunrise School.

The Sunrise school, seven miles northwest of the city, closed Thursday, and just before the noon hour the patrons of the school came with well filled baskets. Two long tables were arranged and spread with everything to tempt the appetite. After the dinner was over a delightful program was given by the teacher and pupils. Mr. John Harrington furnished the music for the occasion. Miss Mabel Graham, the teacher, has taught a very successful term of school.

Missionary Meeting Friday.

The Women's Home Missionary society of the First M. E. church met Friday afternoon at the home of Miss Elizabeth Evans. Mrs. Lena Ruddle conducted the first part of the lesson, under the subject "Women's Duties of Government." Mrs. Charles C. Moore favored the society with a solo. Mrs. Gilbert S. Cox read a paper on "Causes of Mormon Success," and Mrs. J. C. Archer read a paper on "Why Women Enter Polygamy." Mrs. L. L. Maier and Mrs. J. A. Lesh assisted the hostess during the social hour.

Quietly Married at Home.

Miss Bernice Wells, daughter of Mr. and Mrs. William Wells, living three miles west of Hopkins, was married Thursday evening, April 24 to Mr. Timothy G. Butts, a successful young farmer living one mile west of the bride's parents. Only the members of the bride's family were present. The ceremony took place at 7 o'clock and was performed by Rev. A. R. Brown, pastor of the Church of Christ at Bedford. The bride closed her school in the Excelsior district on Friday, not intending that any one should know of her wedding until the formal announcement by her parents the coming Monday. The patrons of the school and their families came at noon with a bountiful dinner, and during the enjoyment of the many good things that were in every way fit for a queen's wedding feast, the bride's secret came out in some inconceivable way, and merriment and the best of good wishes reigned. After dinner the children gave a delightful program that ended the unusual day. Mr. and Mrs. Butts and Mr. and Mrs. Wells comprised an automobile party to the track meet at Maryville Saturday afternoon. They will be at home on their farm Monday. The bride is a graduate of the teachers' course of the Northwest Normal where she was always a popular student. The best wishes of many friends will be theirs.

All of His Companies Quit.

Mayor Arthur S. Robey received a notice Saturday from the Royal Fire Insurance company to suspend writing business here after May 15. With this company quitting, Mayor Robey is out of the fire insurance business for the time being. But Mayor Robey says he will get other companies to write for.

That the Royal Standard Typewriter is made of the highest grade materials obtainable and by the most skillful workmen money can hire.
That it will do work of the best quality for a greater length of time at less expense for upkeep than any other typewriter, regardless of price.
ROYAL TYPEWRITER COMPANY

If you seek up-to-dateness in typewriter improvement, the New Model 5 Royal offers the Two Color Ribbon device, Tabulator, Back-spacer, Tilting Paper Table, Hinged Paper Fingers—and other features (many exclusively our own), which place the Royal unquestionably in the lead.

If simplicity and durability of construction are uppermost to you, remember the Royal has less parts, and less weight than other standard typewriters, while its strength and sturdiness are such that a Royal Typewriter has never yet worn out in reasonable service.

If you judge a typewriter by its action, you will find in the Royal a delicacy and lightness of touch combined with perfect alignment and marvelous manifold power, which will meet the most exacting requirements.

Old mistakes are avoided, and new efficiency added, in the Royal. Let us prove our statement, you'll find the proof interesting.

Upholds Ollie Long Decision.

The cause of the state of Missouri vs. Ollie Long, for the seduction of Carrie Miles, which was tried in Atchison county and resulted in a verdict of two and a half years in the penitentiary, but which was remanded for trial and then taken to Nodaway county on change of venue, there resulting in a verdict of six months in jail and a fine of \$500, has been passed upon by the supreme court of the state, which upholds the Nodaway county decision.

Attorneys for the defendant have filed motion for rehearing, however. When the case was tried here, Hunt, Bailey & Hunt represented Long, but now that it is in Nodaway county, Cook, Cummins & Dawson represent him. Judge Trimble acted as special judge when the case went to our neighbor county.—Rock Port Journal.

Look Out for the Dark Horse.

In all great events in the nature of a contest there is a dark horse or two. In the pole vaulting and mile races for Saturday's track meet, it is said, one will appear that may promise a foe worth calculating on. We learn that Dr. G. A. Nash is the one whose shadow even now is giving reason for nightmares among those who would win the laurel wreath. But think how it would become the benign brow of Dr. Nash.

Coughs and Consumption.

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown of Muscadine, Ala., writes: "My wife was used in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by the Orear-Henry Drug Co.—Advertisement.

Three Companies Quit.

R. L. McDougal has had three fire insurance companies to write him to suspend business in Maryville. The companies to cease writing business are the Royal, the Germania and Williamsburgh.

Suit Filed.

A suit filed Saturday was Albert S. Hanna vs. A. Winfred Neil and Addie M. Neil. A. F. Harvey is the attorney for the plaintiff.

HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothrum, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief."

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited. I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old.

Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength.

Have you tried it? If not, please do. It may be just what you need.

R. B. Write for Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

A FARMER'S VARIETY TEST.

Normal Agricultural Department After Seed Corn in Order to Make Tests.

The agricultural department of the Fifth District Normal school at Maryville, Mo., is interested in finding out the best kinds of corn for Northwest Missouri. The farmers are also interested in knowing this. Will the farmers help us by sending about a pint and a half of seed corn by parcel post to the department? This corn will be planted and grown under uniform conditions on the Normal farm. The best variety of Iowa Gold Mine produced ninety bushels per acre last year in this test. Will you kindly send us a sample of your seed corn? The teachers or others interested can help in this contest by securing the sample of seed and sending it with the following data. The name and address of the grower, the way the seed was cared for during the winter and the name of the corn. A report will be made as to the results.

Place the corn in a cloth sack and address to the department of agriculture, State Normal school, Maryville, Mo.

Limeades at Orear's.

MISSOURI PRAISES.

Are Sung by Governor Major in an Article in Leslie's Weekly.

What's the use of Missouri hiring a press agent to advertise her wonderful resources?

Governor Major has an article in Leslie's Weekly that everlastingly takes the shine off of anything an advertising agent ever put in print.

The following extracts are taken from the St. Louis Republic:

Missouri is a great state and has been made such by reason of its resources and its citizenship. It is now really the first state in the union—though, maybe, the world does not know it.

We have the rich valleys and plains, the minerals, the forests, the climate, the water, and the great opportunities which go to make the state the foremost of the sisterhood.

It is rich because the master made it so. There is no other state in the Union with richer and more fruitful fields, or where more golden opportunities await the coming of those imbued with the successes of life.

It is a land with an unbounded future, one adorned with nature's richest gifts, one which, by the hand of industry and the magic touch of passing years, will develop into the choicest commonwealth of a great and matchless republic.

Every entrance into the state is through a gateway of opportunity. It matters not from what state the prospective dweller may come, or what branch of farming he may wish to follow, he will find growing crops with which he is familiar and conditions both ideal and conducive to comfort and great profit. Here he can have the maximum result at a minimum expense.

The citizens are progressive, and our three and one-half millions of people are building a new and greater Missouri and are imbued with that spirit which will give us a greater state tomorrow.

We produce one-eighth of the corn grown in the United States, and one-tenth in the world. Missouri produces three-fifths as much corn as all Europe, and one-half as much as the entire world outside of the United States. While the per capita production of corn in the United States fell from 35.1 bushels in 1899 to 27.7 bushels in 1909, Missouri increased her corn yield per capita from 59 bushels in 1900 to 72.5 bushels in 1910.

While Missouri is, first of all, an agricultural state, yet it takes high rank in mining and manufacturing, surpassing a large number of eastern states in value of manufactured products, and of more western states in the output of mines. We have great mining industries in the Joplin district in the southwest and in the St. Francois, White and Black river districts south of St. Louis.

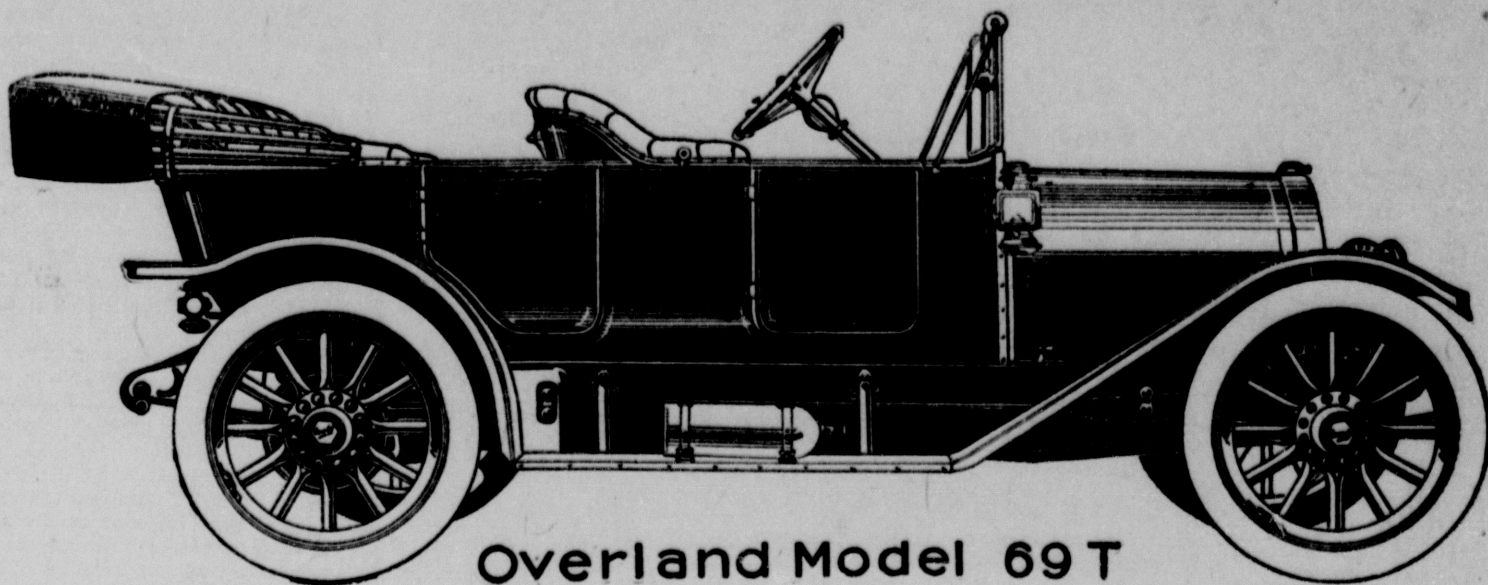

There is no other country so fittingly adapted to the raising of orchard and vineyard products as the southern portion of Missouri, especially that portion known as the land of the Ozarks. Its climate is unexcelled, its streams abound with fish, and its woodlands with game.

Governor Major then praises the school and public road systems and the tax plan and ends with the statement that Missouri's star is still in its ascendancy and declares that the state offers an opening for any who wish to enter the fields of commercial achievement.

Drink Limeades at Orear's.

Many Here From Chillicothe.

Chillicothe is well represented at the track meet today and is expecting to take first prize. In the delegation there are fifteen, including Hayden, the star at last year's meet. C. E. Watkins, son of James Watkins of the Chillicothe Constitution was in the party.

Overland Model 69T

High Priced Features in A Low Priced Car

In the Overland you have the very best and most expensive bearings—Timpkin—and Hyatt—in the Overland Model 69T. They are the same bearings as used in \$5,000 and \$6,000 cars.

The sturdy I-beam section, drop-forged Overland front axle is equipped with Timpkin bearings. The three-quarter floating Overland is equipped with Hyatt bearings.

The Overland 69T motor possesses a five-bearing crank shaft—not a three-bearing.

And the action of the Overland 69T transmission is secured by more high-grade and expensive bearings. Quantity production—40,000 cars yearly—alone permit these high priced features.

Overland Model 69T brakes are as large as those on \$1500 cars. Look up the specifications of the latter; see for yourself.

There are two sets of the drum type, internal expanding and external contracting. The pressed steel drums are 2 1/4 inches wide and 13 inches in diameter. Full control of your car is guaranteed—no matter what the road conditions.

We use heat-proof, wire-woven asbestos for brake lining; we make special provision for the prevention of dragging; sand, mud, dust and water are defied by close fitting guards.

Be sure that your car is Thermo-Syphon cooled. Most popular priced cars depend upon the centrifugal pump—but not the Overland. By the latter system, cooling is taking place with the first engine revolution—when *heat* is required for the development of the engine's best work.

With the Thermo-Syphon system, cooling varies, *not with speed*, but directly with the temperature of the cylinder walls. Thus Overland motors do not heat climbing hills.

In the Thermo-Syphon system, a circulation is set up *only when the cylinder walls have become heated*. Neither is there any pump to get out of order in this Overland system of cooling.

Every Overland motor is thoroughly "worn-in" on the block under a belt for 48 hours; it is then tested on the block under its own power for 48 hours.

Not content with these tests, we require that each chassis be tried out on country roads—carrying a test body weighed with 800 pounds of sand bags.

Finally, each completed car is subjected to a trying 5-mile drive by an expert driver.

When you buy an Overland you are buying guaranteed performance.

In the Model 69T this high priced inspection and supervisions costs but \$985 F. O. B. Factory.

LETTER LIST.

Following is a list of the letters remaining unclaimed in the Maryville, Mo., postoffice for the week ending Wednesday, April 23d, 1913:

Gentlemen.

Brown, Willie.
Cole, R. S.
File, E. A.
Gordon, James A.
Jennings, Coland.
Montgomery, W. H.
Smith, Howard.
Trimble, Bert.
Witt, Dave.

Ladies.

Bailey, Miss Annie G.
Colter, Miss Elva.
Jones, Mrs. O. L.
Neil, Mrs. M. A.
Wilson, Mrs. Mae.

Persons calling for the above named letters will please say "advertised."

S. R. BEECH, Postmaster.

Spoke at Darlington.

Rev. C. J. Miller, pastor of the First Christian church of this city, delivered the commencement address to the graduating class of the Darlington high school at the opera house in that town on Friday night. There were fourteen graduates that received diplomas. Rev. Miller delivered the address at Darlington a year ago.

Guests From St. Joseph.

Mrs. J. A. McKillip, Boyd McKillip and John Hall of St. Joseph, are guests of Mrs. McKillip's sister, Miss Louise Williams.

Mrs. Charles Lewis and Miss Grace Lewis of Hopkins were guests of Mr. and Mrs. R. A. Strawbridge Friday night for the inter-high declamatory contest. Miss Lewis remained for the track meet Saturday.

WILL MAKE BOYS HUSTLE.

The Girls Between Ages of 10 and 20 Will Have to Be Reckoned With at State Corn Show.

In the past the boys enrolled in the Missouri boys' corn growing contest have had a nice, quiet little time dividing up \$1000.00 in prizes at the state corn show. But this year they will have the girls to reckon with for the contest has been opened to both boys and girls between the ages of 10 and 20 years. It is just as easy for a girl to get a share of this prize money as it is for the boys. The girls will not be required to do any of the actual work but will be expected to keep all records and pick their sample of corn for the state corn show. Of course there is no objection to girls doing such parts of the work as they can do. There must be at least two girls in every corn growing county of Missouri who are sufficiently interested to get into this contest and make the boys hustle. Besides these prizes the Missouri women farmers' club will give a \$25.00 cash scholarship in the college of agriculture to the girl between the ages of 15 and 20 who wins first prize in the contest. This is your chance to show what Missouri girls can do when they try. Corn planting time is near. Records should be kept from the start, so send your name today to T. R. Douglas, secretary Missouri Corn Growers' association, Columbia, Mo., and get full particulars concerning this chance to win your share of this fine lot of premiums.

Find Out How High Your Farm is Before Planting Grain.

Following is an interesting suggestion taken from the current issue of Farm and Fireside:

"Consult your geographies and find out how high you live above the sea level, for that will make a difference in the kind of corn you ought to plant.

"Co-operative tests conducted over a period of three years show that varieties of flint corn are better adapted for the production of ripe grain and stover than dent varieties. For elevations of from 600 to 1,000 feet, flint corn was best for grain, and there was no decided preference as far as stover was concerned. For elevations less than 600 feet, dent corn was best for grain, stover or silage.

"Other information on this subject seems to show that as we go north from New York state the effect of the increased altitude is similar to that of a higher altitude, and vice versa. Thus in the New England states flint corn does well at about sea level, and dent corn grows successfully in the south even at high altitudes."

A marriage license was issued Saturday by Recorder Wray to Wm. L. Merrigan of Clyde and Miss Rose Shiefelbusch of Blytheedale.

For Burns, Bruises and Sores.
The quickest and surest cure for burns, bruises, boils, sores, inflammation and all skin diseases, is Bucklen's Arnica Salve. In four days it cured L. H. Hafin, of Iredell, Texas, of a sore on his ankle which pained him so he could hardly walk. Should be in every house. Only 25c. Recommended by the Orear-Henry Drug Co.—Advertisement.

HONOR OF STATE AT STAKE

Panama Exposition Board Criticizes Proposed Land Legislation.

San Francisco, April 25.—Resolutions committing the directors of the Panama Pacific International exposition to an attitude toward alien land legislation opposed to that of Governor Johnson and the majority of the legislature were adopted at a meeting of the board. The intent of pending bills declare the resolutions, challenge the honor and good faith of California.

The resolutions set forth that California was selected by congress, at its own urgent request, to act for the nation as host to all nations who desire to join in celebrating the opening of the Panama canal; that California accepted this trust and that "any action by the legislature offensive to any foreign country, to their pride as a people or their honor as a nation, must challenge the good faith of the commonwealth."

President Charles C. Moore regretted the necessity, he said, of coming into direct conflict with the state administration, but the necessity existed and was not of his making.

"The attitude of the legislature," he said, "has shown such apparent disregard of the solemn pledges made by California to the people of the United States that the course taken by the directors was imperative."

"Proposed legislation is aimed directly at the Japanese. The final wording of the administration bill may not read that way on the surface, but there has been no disguise in debate that the measure sought is aimed at the Japanese and there can be no denying that for all practical purposes, it will affect only the Japanese."

To Put in New Front.
In the city hall building, which is being remodeled, a new front will be put in, as the old one is about ready to fall in. The second story of the building has been taken down, and the first story will be used for the fire department and as a city jail. The fire team is being kept at the Union bus barn during the improvements on the building.

Arrived From Colorado.
Mrs. J. A. Stephenson and children of Colorado Springs, Colo., arrived in Maryville Saturday noon on a visit to her mother, Mrs. C. L. Wright, and to Mr. Stephenson's parents, Mr. and Mrs. James M. Stephenson, who live east of the city.

Miss Ruby Lorraine of the Plattsburg school arrived home Saturday in time for the track meet and will visit until Monday with her parents, Mr. and Mrs. J. A. Lorraine.

H. J. Becker went to St. Joseph Friday evening to attend the executive board meeting of the District Christian Endeavor society, which will meet here this summer.

Mr. and Mrs. J. J. Mahoney, Jr., of Oklahoma City, Okla., who have been visiting Mr. and Mrs. J. J. Mahoney, Jr., for several days, left for their home Saturday morning.

Mr. and Mrs. David Mitchell of Skidmore spent Saturday in Maryville the guest of Mr. and Mrs. Robinson Craven.

Mrs. J. W. Raines of Rockport, who has been visiting her son, H. L. Raines, and family, returned home Friday.

Miss Mattie Wilson and Mrs. Roy Wilson of Barnard were Maryville business visitors Friday.

Miss Nell Hayworth and Miss Angie Waldere of Parnell are track meet guests of Miss Lela Caudle.

Miss Blanche Rozelle of Maitland is the track meet guest of her sister, Mrs. Cleve Moyer.

Dr. Grace Phelps returned Saturday morning from a business trip to Jefferson City.

J. S. Shinabargar and daughter, Mildred, went to St. Joseph Saturday morning.

When In Doubt Pass a Law.

In a course of an interesting discussion in the department called "The Inexplicable House," in the May American magazine, appears the following:

"When something happens that we do not like, what is the first thing we say? There ought to be a law against it. Every time! That is the unconscious tribute we all pay to the queerest, the most naive and stupid superstition in a world, where all superstition dies hard enough—that all you need to do to stop anything is to pass a law against it."

"No amount of experience, apparently, will free the minds of men from the incubus, the hoodoo, of this extraordinary superstition. No matter what the issue! If you want to stop gambling, spitting, combinations of capital or of labor, prostitution, college fraternities, the high cost of living, arson, saloons, monopoly in restraint of trade, the turkey-trot, burglary, tips, walking on the grass; whatever it is, there is only one thing to do—pass a law against it. Then everybody will be contented; everybody will believe that the offense will cease at once, or at least as soon as you have gotten a sufficient number of people in jail. Only get enough laws passed, and above all, if you can only get enough people in jail, you have realized the average man's millennial hopes."

STOPS HAWKING IN MORNING.

Simple Way to End Catarrh Without Upsetting the Stomach With Medicines.

Do you, dear reader, really want to forever rid yourself of catarrh? Do you like to hawk and strain and choke and upset your stomach trying to get that accumulation of mucus from your throat every morning?

It's easy to end catarrh if you will only try. Go to the Orear-Henry Drug Co. today; say "I want a Booth's HY-OMEI outfit." Take it home; breathe according to directions the pleasant germ-killing balsams from the Eucalyptus forests of Australia, and if it doesn't stop hawking, snuffling, clear up your stuffed-up head and drive out all catarrhal misery, money back.

One dollar secures a complete outfit, including inhaler. Extra bottles if needed, 50c. Just breathe it—no stomach dosing.—Advertisement.

FOR QUICK SALE.

Party desiring to leave the city at once wants to sell at low price a 6-room house with four lots, with all kinds of fruit. Acetylene plant, brick cave, barn, chicken house, three blocks of Normal school building. Price \$3,000.

A 5-room house with two lots, on paved street, four blocks of square, \$1,400. Be quick for a bargain.

TRADES.

We have three resident properties in St. Joseph, Mo., to exchange for city property. These properties are well rented. The owners live in Maryville and want property here.

DON'T FORGET

The orchard belt of Texas, where you can get land on the crop payment plan. The soil and climate about the same as Nodaway county, only the winters are shorter and not so severe. You can buy land that will double in value in a short time. These are railroad lands and the opportunity is limited, but the chances for gain are large. Excursions every first and third Tuesday in each month. Come and go with us. We are Missourians and can show you.

WHAT HAVE YOU TO SWAP?

List it with us, tell us what you want and we will find it for you. No charges for trouble unless exchanges are made.

If you want something and don't know where to find it we will find it for you.

VOLUME 3.

MARYVILLE, MISSOURI, SATURDAY, APRIL 26, 1913.

NO. 281.

DAVID WON FIRST

MARYVILLE JUNIOR RECEIVED GOLD MEDAL IN ORATORY.

DECLAMATORY, ST. JOE

Miss Hazel Vaughn First in Girls' Contest, While the Essay Medal Went to A. Flem Baker of Platte City.

The Winners.

Girls' declamatory—First, Hazel Vaughn, St. Joseph Central. "Arm-gart," by Eliot; second, Lucile McHugh, Maitland, "The Bear Story," by Riley; third, Pansy Kenower, Breckenridge, "The Famine," by Longfellow.

Boys' oratorical—First, Roy David, Maryville, "The New South," by Grady; second, Joe Fisher, Grant City, "Give Me Liberty or Death," by Henry; third, Paul Park, Tarkio, "The Philippine Question," by Beveridge.

The essay contest—First, A. Flem Baker, Platte City, "Back to the Farm"; second, Hattie Gardner, Grant City, "The Moving Picture, a Factor in Education"; third, Miss Floy Porter, Plattsburg, "The Moving Picture, a Factor in Education."

Never before in its brief history has the Normal auditorium seen such a demonstration as burst forth from the immense crowd gathered there Friday night to witness the Northwest Missouri inter-high school literary contests, when Roy David, a student in the Maryville high school, was announced as winner of first place in the oratorical contest. Even before the judges rendered their decisions, there was little doubt in the minds of the majority of the assemblage that David would be declared the winner. He launched into his subject, "The New South," by Grady, with the air and confidence of a veteran speaker, and finished amidst a tremendous roar of applause from friend and foe alike. The victor is a junior in the local high school and makes his home with his sister, Mrs. S. T. Gile, on East Edward street.

The other contestants who qualified in the finals of the girls' declamatory contest were Miss Leora Kime of Westboro and Miss Pauline Jones of Platte City.

Seth Herndon of Plattsburg and Heber Hunt of Platte City qualified in the finals in the oratorical.

While the crowd was filling the big auditorium and at intervals during the declamations and orations the St. Joseph Central high school orchestra gave delightful music. It is indeed wonderful that so excellent an organization can be kept together in connection with the regular school work, and shows that it is not work that kills, but it is the diversions and pleasures of student life that fit them for still better work and that the exercise and development of the artistic tastes are as necessary as the circulation of the blood and the exercise of muscle. There are fifty pieces in the orchestra. The production of their pieces and the selection of music is close to the work of artists. It is a credit to St. Joseph that high school boys and girls can maintain such an orchestra. The cornet solo by Mr. Lloyd Thompson and the violin solo by Miss Fay Maupin stirred the whole audience, and beautiful encore numbers were given in response to the reception given their first numbers. The St. Joseph high school orchestra may come to Maryville any time it wants to and everybody will turn out to give it the welcome it so richly deserves. We're simply crazy about it.

The judges of the girls' declamatory contest were Professor George H. Beasley of Trenton, Miss Hettie Anthony and Prof. H. P. Swinehart of Maryville.

The judges in the boys' oratorical contest were Prof. J. J. Doty of Shenandoah, Prof. A. R. Coburn of Chillicothe and Miss Mary Hughes of Maryville.

"O say, can you see—"

Oh, why does not a Maryville audience rise to its feet at the first sound of these inspiring words, sung or played? There is no other song in the

world like it, no other air like it. We could not make a mistake. It's our song, so gloriously American, and yet we let a little hand clapping suffice and think we have done all that is necessary. Let's shake ourselves of this gross neglect and make it a habit of ours to stand during the playing of our most beautiful national song and increase our own self-respect.

Last night when the judges retired to make their decisions the orchestra from St. Joseph began its program to entertain the audience while the judges were deliberating. The opening number was a medley of national and other airs, the first being "The Star Spangled Banner." My, but the audience clapped its hands in childish glee! But is that the way for men and women to act? Many visitors in the city looked around and moved uneasily, but the greater part by far of the audience was composed of Maryville people. They should have started to rise first.

In a little bit, when the music came to "Tis the star spangled banner," a St. Joseph high school girl could stand it no longer. She rose and quietly stood. Presently other St. Joseph people stood, then scattering numbers of Maryville people and other visitors in town.

The St. Joseph high school girl would have been altogether excusable if she had not known what the orchestra was playing, for she was one of the contestants, and no doubt her heart was all in a flutter about that time along with the other contestants. As she stood, the Maitland girl beside her stood also, and both looked in open-eyed wonder at the complacently seated people before them. A little embarrassed, they sat down again when the orchestra began another air.

We hope Maryville people will remember the act of Miss Hazel Vaughn, first winner in the contest. We would efface from her mind, if we could, the memory of such thoughtlessness upon our part, especially upon such an occasion. For every man and woman and boy and girl or us would strike for our altars and our fires and the green graves of our sires and God and our native land and everything just as fast and quick as anybody on American soil, but we just let our blessed old G. A. R. fellows and W. R. C. girls do all the reverent acts to "Old Glory"—and, to tell the truth, we are downright ashamed of it.

Fire Near Bedison.

The seven-room house belonging to Lule Anderson of this city, located about half a mile west of Bedison, was totally destroyed by fire Friday night. The house was occupied by Mr. Anderson's son, Wm. Anderson. There was \$600 insurance on the house.

Taken to Hospital.

Mrs. H. F. McDougal, wife of City Editor McDougal of the Tribune, was taken to St. Francis hospital Saturday afternoon and will have an operation performed Monday.

MISS LILLA GILBERT.

Society Girl Who Is To Wed Man Different From Her "Ideal" Mate.

by Alarcon.

Miss Gilbert, who is the \$15,000,000 heiress of Mr. and Mrs. H. Branch Gilbert of New York, will marry Howard Price Renshaw, himself a millionaire and society man. Miss Gilbert once said her ideal husband must be six feet tall and a brunette, clean shaven, a Republican and Episcopalian, a money maker, have a curl over his left ear and be fond of pigs and poultry. Mr. Renshaw lives up to none of these qualifications except that he is six feet tall.

MAKE NO CHANGE

MAYOR WILL RE-APPOINT CITY OFFICERS FRIDAY.

A NEW CITY ATTORNEY

Removal of W. E. Wiles Will Make a Vacancy for Which There Will Be Several Applicants.

At the regular council meeting in May, to be held next Friday evening, Mayor Arthur S. Robey will commence the second year of his second administration as chief executive of this city. At this meeting Mayor Robey will make his various appointments to serve during the coming year.

The appointments to be made are a city attorney, city clerk, night policeman, street commissioner, city physician, chief of fire department and members of the fire department, city engineer and weighmaster. There will probably be no changes made, and those who have held these positions during the past year will probably be re-appointed.

As W. E. Wiles, who has been city attorney, intends to leave June 1 for Cherokee, Okla., where he will locate for the practice of law, a new city attorney will be selected at that time. There will probably be several applicants after this position.

C. L. Gann will be selected again as city clerk, and F. L. Flynt as city engineer, Dr. A. T. Fisher as city physician, Marion L. Woods as street commissioner, Paul Edwards as night policeman, Burl Rowley as chief of the fire department and the same members of the fire department that have served during the past year will all be re-appointed by Mayor Robey. J. W. Armstrong, who has been weighmaster, will probably not apply for that position again.

Mayor Robey will name the committees of the council at this meeting.

DEATH AT SKIDMORE.

W. F. WILKITS, a Carpenter of That Place Succumbed to Tuberculosis of the Spine.

William Fisher Wilkits, for several years a carpenter of Skidmore, died Saturday morning at 7:50 o'clock of tuberculosis of the spine, from which he had been ill a year, and had been unable to work at his trade for several years.

The funeral services will be held at Braddyville, Ia., Sunday afternoon at 2 o'clock in the Braddyville M. E. church and burial will take place there.

Mr. Wilkits was born in Hillsdale, Mich., sixty-four years ago the 24th day of January. When he was 10 years old he went with his parents to Page county, Ia., to make his home. On the 7th day of June, 1874, he married Sarah Adaline Short of Riley county, Kansas. Three children were born to them, two dying in childhood. A son, Ira Wilkits of Skidmore, survives with the wife. In 1905 the family came to Missouri to live, residing a year at Forest City, and since that time have lived at Skidmore.

Mr. Wilkits had been a member of the Methodist church since childhood and had always lived a Christian life.

INSURANCE STATISTICS.

Official Figures Taken From the Reports of the State Insurance Department.

According to the "dope" sent out by the fire insurance companies the following statistics as to the fire insurance business in Missouri are taken from the reports of the Missouri insurance department, and they say are official. The figures show that for the past three years the business has been done at a loss since with an expense ratio of over 40 per cent a loss ratio of 60 per cent or over means that the company is paying out more than it takes in. During the past two years the fire insurance companies have paid out over \$1.10 for every dollar of premiums received in the state.

DISLOCATED HIS ANKLE.

One Track Meet Boy, Leon Lane of Bethany, Hurt in Accident on Track This Morning.

Leon Lane, one of the boys entered for the track meet from the Bethany high school, dislocated his ankle while running in the 100-yard dash at the preliminaries held this morning. His injury was very painful and the accident prevented him from taking part in the meet this afternoon. Superintendent A. E. Wickizer of the Bethany schools, was looking after young Lane and had him taken to the offices of Dr. Nash.

GATHER IN JUNE

CHRISTIAN ENDEAVOR SOCIETY TO HAVE DISTRICT MEETING.

BIG SPECIAL FEATURE

Music With a Large Chorus of Trained Voices an Attraction—Twelve Counties in This District.

The twenty-third annual convention of the Christian Endeavor societies of Northwest Missouri district will meet in Maryville June 29 to 31, inclusive.

This promises to be the largest gathering of young people that has met in Maryville for such purpose. The district comprises twelve counties, and 200 delegates, at least, are expected.

The Christian Endeavor work for Northwest Missouri combines the work of the young people for the Christian and Presbyterian churches of these counties.

Mr. H. J. Becker, director of the Christian church choir and treasurer of the executive board of the district organization, attended the business meeting of the board held in St. Joseph Friday, and plans for the program and convention were discussed. Arrangements were started and it is expected that the program will be ready for publication in a few weeks.

The music for the convention will be made a special feature and will be in charge of Mr. Becker. He expects to have a large chorus well trained for the convention, and special music will be placed for the four days' events. The place for the convention in Maryville has not been decided on definitely, but it will probably be held in the Christian church.

The counties in the Northwest District Endeavor Union are Nodaway, Andrew, Atchison, Buchanan, Clinton, Caldwell, DeKalb, Davies, Gentry, Holt, Harrison and Worth. The executive committee is composed of H. B. Hamilton, Hamilton, president; Lucile Sawyers, St. Joseph, vice president; Merton Meyer, St. Joseph, secretary; H. J. Becker, Maryville, treasurer. The department superintendents are as follows: Bessie Kline, Savannah, junior, mercy and relief; Cora Carroll, Clarkdale, quiet hour and tenth legion; E. W. Bailey, St. Joseph, evangelistic and good citizenship; Donald Evans, St. Joseph, press, social and introduction.

OFFICERS WERE CHOSEN.

For the Inter-High School Association at a Business Meeting Held Friday Night.

A business meeting of the Northwest Missouri Inter-High School association, which has charge of the literary contests and track meet given in Maryville under the auspices of the Normal school, was held Friday night after the literary contests.

Superintendent A. R. Coburn of the Chillicothe schools was selected as president of the association, F. C. Toulton, principal of the Central high school of St. Joseph, as vice president, Superintendent J. C. Godbey of the Tarkio schools as secretary, W. M. Westbrook, principal of the Maryville high school, as treasurer, and Prof. V. I. Moore of the Normal as corresponding secretary.

WELL REPRESENTED.

Twenty-Seven Are Here From Platte City For the Annual Track Meet.

Platte City is well represented for the track meet today. The team from the high school of that place is composed of ten boys, and they were accompanied by many rooters and friends, there being twenty-seven in all in the party. Col. W. T. Jenkins, editor of the Platte City Languard; Clinton Cockrill, Byron Woodson and Prof. A. A. Ross of the schools of Platte City, were in the party from that city. Col. Jenkins has attended the track meets in Maryville ever since the first one given four years ago.

Dr. Martin Home Sunday.

Dr. and Mrs. Vilas Martin expect to arrive in Maryville Sunday morning from Chicago, where Dr. Martin has been a patient in Hahnemann hospital for several weeks, and where he underwent a severe surgical operation. It will be several weeks more before Dr. Martin will be able to attend to his practice.

Mr. and Mrs. Robert Miller of Maitland have moved to Otis, Col., where they have purchased a farm. Mr. Miller left about two weeks ago and Mrs. Miller and children left Saturday morning.

TEACHERS SELECT OFFICERS.

Prof. A. R. Coburn of Chillicothe Heads the Association—The Other Officers Chosen.

At the closing session of the Northwest Missouri Teachers' association, held at the Normal auditorium Friday afternoon officers for the ensuing year were chosen. Superintendent A. R. Coburn of the Chillicothe schools was elected president of the association. The other officers follow:

Superintendent W. R. Lowry of Hopkins, first vice president; County Superintendent Leslie M. Dobbs of Andrew county, second vice president; Miss Elizabeth Brainerd, county superintendent of Grundy county, third vice president; Superintendent A. H. Cooper of the Grant City schools, treasurer; Miss Fannie Hope, Maryville Normal, secretary; County Superintendent W. M. Oakerson, Maryville, railroad secretary.

The following are the resolutions adopted by the association:

We, the committee on resolutions, herewith beg to submit the following:

Resolved, That we extend to the Fifth District Normal school our hearty appreciation of the interest in the Northwest Missouri Teachers' association shown by the faculty of the school, and express our thanks for the use of the commodious building and other accommodations.

Resolved, That we extend our thanks to Dean W. F. Barr of Drake university, President Hayes of the Peru Normal school, Peru, Neb., and President DeBra of the Cameron college for the excellent addresses given, and those who have assisted in the music and entertainment.

Resolved, That we express our appreciation to the president, Mrs. Cora Early, for her efforts in securing talent to make the meeting instructive and interesting.

Resolved, That we heartily commend and endorse the recent school legislation enacted by the last general assembly of the state of Missouri. We believe that the new laws enacted by the general assembly will be productive of much good to the public schools of the state of Missouri.

We appreciate the excellent work that the Fifth District Normal school has done in giving the teachers better preparation for work in our public schools and pledge our support to the institution.

NELLIE K. SUTTON.
ROSS B. WYMER.
W. M. OAKERSON.

Mound City Motor Party.

Mr. and Mrs. J. H. Donan, Miss Anna Neale, Miss Alice Brown and Mr. Dwight Donan composed a motor party from Mound City Saturday for the track meet.

Mr. and Mrs. A. O. Vaughn of St. Joseph were among those present at the inter-high declamatory and oratorical contests Friday night. Mr. Vaughn's sister, Miss Hazel Vaughn being one of the contestants.

STEWART E. WHITE.

American Author Who Is Outfitting an Expedition For African Exploration.

Stewart Edward White, the author, is outfitting an expedition to Santa Barbara, Cal., to enter the unexplored parts of Africa. He intends to leave next month for New York, where he will join R. J. Cunningham, who will be his only white companion. It is expected the party will be absent about a year. Every precaution has been taken to safeguard the lives of the distinguished American and his companion during their journeys into the unknown dangers of the hitherto inaccessible regions of interior Africa.

RECORDS BROKEN

PRELIMINARY IN 200-YARD DASH AND BROAD JUMP.

100 YARDS, 10 3-5 SEC.

The Track Meet Today Expected to Furnish New Records—Preliminaries Were Exciting.

The fourth annual track meet is being held this afternoon on the Normal athletic field, and twenty-four high schools over the Northwest Normal district are competing in the contest. A large crowd was in attendance, the grand stand being well filled, and all of the high schools entered had large delegations of rooters. The track meet is given under the auspices of the Normal and the inter-high school association of Northwest Missouri.

The weather is a little cool for comfort, but many records will probably be broken. The points will probably be well divided among a number of the schools, and it is hard to tell who will be the winner. St. Joseph Central school will have strong competition to win the meet.

The association record for the 100-yard dash was equaled in the first two trial heats Saturday morning. Niedorp of St. Joseph Central finished first in the first heat and Simpson, the Bosworth star, led the second heat. The time of both was 10 3-5 seconds. Simpson came up to all expectations in the jump events when he broke the hop, step and jump record in the preliminary with a record of 41 feet and 11 inches. This is just a foot better than the former record. E. Miller of Platte City clipped 2-5 of a second off the 220-yard hurdle record when he went that event in 28 seconds flat.

On the 200-yard dash in the preliminary held this morning, Niedorp of St. Joseph Central set a new record with 24 seconds flat.

Simpson of Bosworth broke the running broad jump record with a jump of 19 feet, 11 1/4 inches.

A record crowd for preliminaries was on hand at the athletic field, but the cool wave thinned them out along toward the noon hour.

The special train from St. Joseph on the Burlington arrived in the city this morning at 9 o'clock. There were over 250 passengers on the train, 150 from St. Joseph, 75 from Savannah and several others from Bolckow, Rosendale and Barnard. The special had seven coaches. It will return to St. Joseph this evening after the track meet. Most of the visitors were the track teams of the St. Joseph Central and Savannah high schools, and the rooters from these schools. Many came to Maryville Saturday in automobiles for the meet.

ROCK PORT WON GAME.

Defeated the Grant City High School by a Score of 9 to 8—Normal Won Over Bethany.

In the base ball game Friday afternoon between the Rockport and Grant City high schools, the former team won out by a score of 9 to 8, by a brilliant ninth inning rally, in which they counted four runs. Wilhite, the Grant City first baseman, lifted one over in the railroad track in the sixth inning for a home run.

The line-up:
Rockport—Opp, third base; Walters, center field; Caudle, first base; Templeton, second base; Welsh, pitcher; Bailey, left field; Quick, right field; Seaman, shortstop; Rose, pitcher.

Grant City—Marshall, center field; Cloud, shortstop; Wilhite, first base; Wilson, catcher; Stevens, third base; Waldman, second base; McElroy, left field; Davidson, right field; W. Wilhite, catcher.

Adams and Somerville, umpires.

The game Saturday morning between the Normal and Bethany high school was called in the third inning in order to start the preliminaries. The score at that time was 14 to 1 in Normal's favor.

Is Critically Ill.

W. J. McComb, living at Sixth and Fillmore streets, is critically ill and is not expected to live.

Misses Gladys and Helen Tilson of St. Joseph are track meet guests at the home of their uncle, W. R. Tilson, and family.

Find the Good in People.

A contributor to the May American Magazine says:

"If there isn't some good in everyone, what are they here for?"

"Anybody can point out anybody else's bad qualities. If you want to distinguish yourself go around pointing out good qualities."

"Pick out the man whom everyone dislikes. Select the one you feel could best be spared from your office, from your circle of acquaintances, from the community in which you live. Ask yourself if there isn't something good about him."

"Put him on a mental dissecting table. Cut him to pieces and see what's in him. Remember—you are looking for the good. Throw away the bad in him and forget it. Make a list of his good qualities. It will surprise you how many you can find."

"The next time you hear him criticized, tell people the things you know about him—the good things. You'll at least be different and you'll find that it does you more good than it does him."

"How would you feel if you knew that people whenever they talked about you talked only about what was bad in you. You know it's there, plenty of it, but you'd rather not have it talked about. It's much nicer to have only your good points discussed."

"Give the other fellow the kind of a deal you like yourself. If you can say nothing good about him, say nothing."

"There are mighty few people in the world we can't say something good about if we try. The trouble is, we don't try."

"And yet, the more good you find in other people the more good other people will find in you."

"Women, too, can make this experiment."

Dr. Henry Campbell of Graham was a city visitor Saturday.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Pansies, 35c per doz. Madeira Vines and Tuberoses, 40c per doz. etc. All other bulbs and plants ready now in different sizes. We grow our own plants and flowers, our prices are reasonable, and we have thousands of plants to select from for the beautification of home surroundings. No order too small to receive our attention.

THE ENGELMANN GREENHOUSES

1001 South Main St.
Phones, Hanamo 171-3; Bell 126.

Sunday Services at Local Churches

First Church of Christ, Scientist.
Services at this church, located at 206 South Main street, each Sunday morning at 11 o'clock, with Sunday school at 9:45 a. m. Subject of lesson-sermon at 11 o'clock, "Probation After Death." Everyone will be made welcome to all services here.

Prayer meeting each Wednesday evening at 8 o'clock.

First Baptist Church.
Dr. John P. Greene, president of William Jewell college at Liberty, Mo., will occupy the pulpit of the First Baptist church of this city Sunday morning and evening. Dr. Greene is one of the foremost men of the denomination. There will be special music at both services. The other services will be as usual. Sunday school at 9:30 a. m., and B. Y. P. U. at 7 p. m. The preaching services will be at 11 a. m. and 8 p. m.

First Presbyterian Church.
Our services for tomorrow are arranged as follows:
Sunday school at 9:45 a. m.
Morning worship at 11 o'clock. The sermon will be about "Indifference."
Young People's club at 7 p. m. Miss May Murray will have the subject, "My Favorite Bible Character, and Why."
Evening worship at 8 o'clock. The sermon will be entitled "Power."
Wednesday evening a missionary stereopticon lecture will be given on South America.
We shall be glad to have you accept an invitation to these services.

First Christian Church.
Regular preaching services at 10:45 and 8 p. m. by the pastor, Rev. Claude John Miller.

Bible school at 9:30. Junior Endeavor at 2:30.

Intermediate Endeavor at 6:45.

Senior Endeavor at 7 o'clock.

Subject for Intermediate Endeavor and senior, "Mission Work at Home and Abroad—V. Industrial Mission"—Acts 18:1-66. Mrs. J. D. Frank, leader.

Intermediate. The missionary committee leads senior. Special music at both Intermediate and Senior Endeavor.

Morning subject, "Isaiah's Vision and Commission." Evening subject, "The Bible an Indestructible Book."

The evening sermon is the last of the four in the series.

In the morning the choir will sing an anthem by Gounod-Shepherd.

In the evening, "Hark, Hark, My Soul," by Lansing.

All are cordially invited to attend these services.

Buchanan Street Methodist Church.

Graded lessons, teachers' meeting, better music and new spirit was the result of the special meeting of the Sunday school last Sunday. We will meet at 9:30 sharp Sunday morning. A lesson worth while. Come and study it with us.

Preaching service at 10:45 a. m. The pastor will speak on "Under Valuing the World." Neither asceticism nor Puritanism is Christianity. We are saved in the world not from the world.

True Christianity stands for a full life.

Watch the League grow. It meets at 7 p. m. The pastor spent a year as missionary to the Italians. He will tell some of his experiences.

The subject at the evening preaching service is "The Relation of Athletics to Moral Development." A special invitation is given young people to hear the sermon. While you are thinking about the track meet come and hear the sermon. You are cordially invited to all these services.

JOS. D. RANDOLPH, Pastor.

First Methodist Episcopal Church.

The Sunday school is growing every Sunday. It is a good thing to have new scholars coming. Some of these who have formed the habit of staying away will find a welcome back. You can grow neither too old nor too wise for Sunday school. At 9:30 a. m.

Preaching at 10:45 a. m. by the pastor. Subject of the sermon, "The Missionary Spirit." At the close of the service opportunity will be given for the congregation to make its annual thank offering for missions. The Woman's Foreign Missionary society will have charge of the offering.

The choir will sing "Sing Ye Abundant With Gladness," by Schaefer. Solo, "Lord God of Abraham," aria from "Elijah," Mendelssohn.

The Epworth League meets at 7 o'clock. Miss N. Elizabeth Evans leader. Subject, "The Italian in America."

Instrumental prelude at 7:45 p. m. by Mr. Landon and the orchestra.

Preaching at 8 o'clock by the pastor. Subject, "Conscience, Its Use and Abuse." The choir will sing "Holy Father, Hear My Cry," by Chaffin.

Duet, Mrs. Charles Moore and Mr. Cox, "Hark, Hark, My Soul," by Shelley.

To all these services you are very cordially invited. Strangers will find a hearty welcome.

REV. G. S. COX.

News of Society and Womens' Clubs

Will Meet Wednesday.

The Dew Drop Inn club meeting has been postponed until Wednesday, April 30, when they will meet at the home of Mrs. Fletcher Dalbey.

Twelve o'Clock Luncheon at Park.

The picnic season was opened at Chautauqua park Saturday noon by a company of girls who ate luncheon there and later took in the track meet. They were Misses Katherine Carpenter, Gladys Holt, Hazel Smith, Geneva Willey, Gladys Ford, Irene Kemp, Nellie Knappenburger, Edna Hollister, Lola Wright, Golda Roelofson and Edith Anderson.

Closing of Sunrise School.

The Sunrise school, seven miles northwest of the city, closed Thursday, and just before the noon hour the patrons of the school came with well filled baskets. Two long tables were arranged and spread with everything to tempt the appetite. After the dinner was over a delightful program was given by the teacher and pupils. Mr. John Harrington furnished the music for the occasion. Miss Mabel Graham, the teacher, has taught a very successful term of school.

Missionary Meeting Friday.

The Women's Home Missionary society of the First M. E. church met Friday afternoon at the home of Miss Elizabeth Evans. Mrs. Lena Ruddle conducted the first part of the lesson, under the subject "Women's Doctrines of Government." Mrs. Charles C. Moore favored the society with a solo. Mrs. Gilbert S. Cox read a paper on "Causes of Mormon Success," and Mrs. J. C. Archer read a paper on "Why Woman Enter Polygamy." Mrs. L. L. Maier and Mrs. J. A. Lesh assisted the hostess during the social hour.

Quietly Married at Home.

Miss Bernice Wells, daughter of Mr. and Mrs. William Wells, living three miles west of Hopkins, was married Thursday evening, April 24 to Mr. Timothy G. Butts, a successful young farmer living one mile west of the bride's parents. Only the members of the bride's family were present. The ceremony took place at 7 o'clock and was performed by Rev. A. R. Brown, pastor of the Church of Christ at Bedford. The bride closed her school in the Excelsior district on Friday, not intending that any one should know of her wedding until the formal announcement by her parents the coming Monday. The patrons of the school and their families came at noon with a bountiful dinner, and during the enjoyment of the many good things that were in every way fit for a queen's wedding feast, the bride's secret came out in some inconceivable way, and merriment and the best of good wishes reigned. After dinner the children gave a delightful program that ended the unusual day. Mr. and Mrs. Butts and Mr. and Mrs. Wells comprised an automobile party to the track meet at Maryville Saturday afternoon. They will be at home on their farm Monday.

The bride is a graduate of the teachers' course of the Northwest Normal where she was always a popular student. The best wishes of many friends will be theirs.

All of His Companies Quit.

Mayor Arthur S. Robey received a notice Saturday from the Royal Fire Insurance company to suspend writing business here after May 15. With this company quitting, Mayor Robey is out of the fire insurance business for the time being. But Mayor Robey says he will get other companies to write for.

ROYAL

TYPEWRITER

If you seek up-to-dateness in typewriter improvement, the New Model 5 Royal offers the Two Color Ribbon device, Tabulator, Back-spacer, Tilting Paper Table, Hinged Paper Fingers—and other features (many exclusively our own), which place the Royal unquestionably in the lead.

If simplicity and durability of construction are uppermost to you, remember the Royal has less parts, and less weight than other standard typewriters, while its strength and sturdiness are such that a Royal Typewriter has never yet worn out in reasonable service.

If you judge a typewriter by its action, you will find in the Royal a delicacy and lightness of touch combined with perfect alignment and marvelous manifold power, which will meet the most exacting requirements.

Old mistakes are avoided, and new efficiency added, in the Royal. Let us prove our statement, you'll find the proof interesting.

Upholds Ollie Long Decision.

The cause of the state of Missouri vs. Ollie Long, for the seduction of Carrie Miles, which was tried in Atchison county and resulted in a verdict of two and a half years in the penitentiary, but which was remanded for trial and then taken to Nodaway county on change of venue, there resulting in a verdict of six months in jail and a fine of \$500, has been passed upon by the supreme court of the state, which upholds the Nodaway county decision.

Attorneys for the defendant have filed motion for rehearing, however. When the case was tried here, Hunt, Bailey & Hunt represented Long, but now that it is in Nodaway county, Cook, Cummins & Dawson represent him. Judge Trimble acted as special judge when the case went to our neighbor county—Rock Port Journal.

Look Out for the Dark Horse.

In all great events in the nature of a contest there is a dark horse or two. In the pole vaulting and mile races for Saturday's track meet, it is said, one will appear that may promise a foe worth calculating on. We learn that Dr. G. A. Nash is the one whose shadow even now is giving reason for nightmares among those who would win the laurel wreath. But think how it would become the benign brow of Dr. Nash.

Coughs and Consumption.

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by the Orear-Henry Drug Co.—Advertisement.

HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothurn, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief."

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited. I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old.

Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength.

Have you tried it? If not, please do. It may be just what you need.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

A FARMER'S VARIETY TEST.

Normal Agricultural Department After Seed Corn in Order to Make Tests.

The agricultural department of the Fifth District Normal school at Maryville, Mo., is interested in finding out the best kinds of corn for Northwest Missouri. The farmers are also interested in knowing this. Will the farmers help us by sending about a pint and a half of seed corn by parcel post to the department? This corn will be planted and grown under uniform conditions on the Normal farm. The best variety of Iowa Gold Mine produced ninety bushels per acre last year in this test. Will you kindly send us a sample of your seed corn? The teachers or others interested can help in this contest by securing the sample of seed and sending it with the following data. The name and address of the grower, the way the seed was cared for during the winter and the name of the corn. A report will be made as to the results.

Place the corn in a cloth sack and address to the department of agriculture, State Normal school, Maryville, Mo.

Limeades at Orear's.

MISSOURI PRAISES.

Are Sung by Governor Major in an Article in Leslie's Weekly.

What's the use of Missouri hiring a press agent to advertise her wonderful resources?

Governor Major has an article in Leslie's Weekly that everlastingly takes the shine off of anything an advertising agent ever put in print.

The following extracts are taken from the St. Louis Republic:

Missouri is a great state and has been made such by reason of its resources and its citizenship. It is now really the first state in the union—though, maybe, the world does not know it.

We have the rich valleys and plains, the minerals, the forests, the climate, the water, and the great opportunities which go to make the state the foremost of the sisterhood.

It is rich because the master made it so. There is no other state in the Union with richer and more fruitful fields, or where more golden opportunities await the coming of those imbued with the successes of life.

It is a land with an unbounded future, one adorned with nature's richest gifts, one which, by the hand of industry and the magic touch of passing years, will develop into the choicest commonwealth of a great and matchless republic.

Every entrance into the state is through a gateway of opportunity. It matters not from what state the prospective dweller may come, or what branch of farming he may wish to follow, he will find growing crops with which he is familiar and conditions both ideal and conducive to comfort and great profit. Here he can have the maximum result at a minimum expense.

The citizens are progressive, and our three and one-half millions of people are building a new and greater Missouri and are imbued with that spirit which will give us a greater state tomorrow.

We produce one-eighth of the corn grown in the United States, and one-tenth in the world. Missouri produces three-fifths as much corn as all Europe, and one-half as much as the entire world outside of the United States. While the per capita production of corn in the United States fell from 35.1 bushels in 1899 to 27.7 bushels in 1909, Missouri increased her corn yield per capita from 59 bushels in 1900 to 72.5 bushels in 1910.

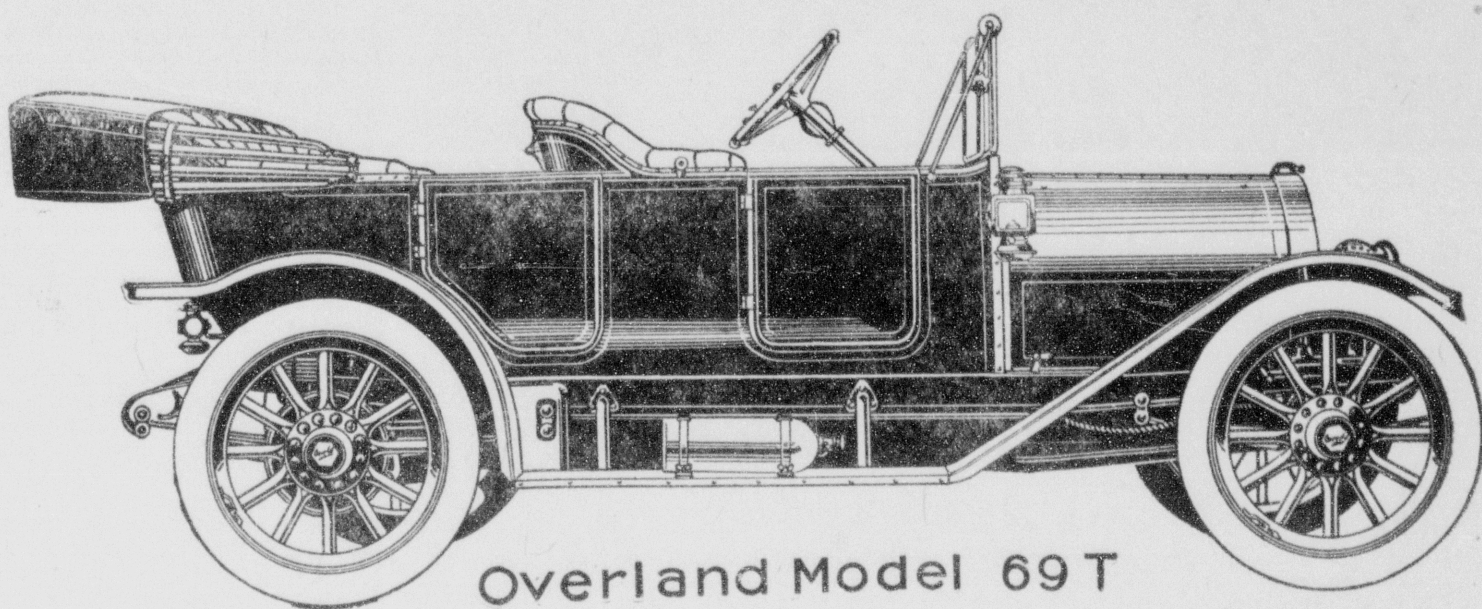

While Missouri is, first of all, an agricultural state, yet it takes high rank in mining and manufacturing, surpassing a large number of eastern states in value of manufactured products, and of more western states in the output of mines. We have great mining industries in the Joplin district in the southwest and in the St. Francois, White and Black River districts south of St. Louis.

There is no other country so fittingly adapted to the raising of orchard and vineyard products as the southern portion of Missouri, especially that portion known as the land of the Ozarks. Its climate is unexcelled, its streams abound with fish, and its woodlands with game.

Governor Major then praises the school and public road systems and the tax plan and ends with the statement that Missouri's star is still in its ascendancy and declares that the state offers an opening for any who wish to enter the fields of commercial achievement.

Drink Limeades at Orear's.

Many Here From Chillicothe. Chillicothe is well represented at the track meet today and is expecting to take first prize. In the delegation there are fifteen, including Hayden, the star at last year's meet. C. E. Watkins, son of James Watkins of the Chillicothe Constitution was in the party.

Overland Model 69T

High Priced Features in A Low Priced Car

In the Overland you have the very best and most expensive bearings—Timpkin—and Hyatt—in the Overland Model 69T. They are the same bearings as used in \$5,000 and \$6,000 cars.

The sturdy I-beam section, drop-forged Overland front axle is equipped with Timpkin bearings. The three-quarter floating Overland is equipped with Hyatt bearings.

The Overland 69T motor possesses a five-bearing crank shaft—not a three-bearing.

And the action of the Overland 69T transmission is secured by more high-grade and expensive bearings. Quantity production—40,000 cars yearly—alone permit these high priced features.

Overland Model 69T brakes are as large as those on \$1500 cars. Look up the specifications of the latter; see for yourself.

There are two sets of the drum type, internal expanding and external contracting. The pressed steel drums are 2 1/4 inches wide and 13 inches in diameter. Full control of your car is guaranteed—no matter what the road conditions.

We use heat-proof, wire-woven asbestos for brake lining; we make special provision for the prevention of dragging; sand, mud, dust and water are defied by close fitting guards.

Be sure that your car is Thermo-Syphon cooled. Most popular priced cars depend upon the centrifugal pump—but not the Overland. By the latter system, cooling is taking place with the first engine revolution—when *heat* is required for the development of the engine's best work.

With the Thermo-Syphon system, cooling varies, *not with speed*, but directly with the temperature of the cylinder walls. Thus Overland motors do not heat climbing hills.

In the Thermo-Syphon system, a circulation is set up *only when the cylinder walls have become heated*. Neither is there any pump to get out of order in this Overland system of cooling.

Every Overland motor is thoroughly "worn-in" on the block under a belt for 48 hours; it is then tested on the block under its own power for 48 hours.

Not content with these tests, we require that each chassis be tried out on country roads—carrying a test body weighed with 800 pounds of sand bags.

Finally, each completed car is subjected to a trying 5-mile drive by an expert driver.

When you buy an Overland you are buying guaranteed performance.

In the Model 69T this high priced inspection and supervisions costs but \$985 F. O. B. Factory.

LETTER LIST.

Following is a list of the letters remaining unclaimed in the Maryville, Mo., postoffice for the week ending Wednesday, April 23d, 1913:

Gentlemen.

Brown, Willie.
Cole, R. S.
File, E. A.
Gordon, James A.
Jennings, Coland.
Montgomery, W. H.
Smith, Howard.
Trimble, Bert.
Witt, Dave.

Ladies.

Bailey, Miss Annie G.
Colter, Miss Elva.
Jones, Mrs. O. L.
Neil, Mrs. M. A.
Wilson, Mrs. Mae.
Persons calling for the above named letters will please say "advertised."
S. R. BEECH, Postmaster.

Spoke at Darlington.

Rev. C. J. Miller, pastor of the First Christian church of this city, delivered the commencement address to the graduating class of the Darlington high school at the opera house in that town on Friday night. There were fourteen graduates that received diplomas. Rev. Miller delivered the address at Darlington a year ago.

Guests From St. Joseph.

Mrs. J. A. McKillip, Boyd McKillip and John Hall of St. Joseph, are guests of Mrs. McKillip's sister, Miss Louise Williams.

Mrs. Charles Lewis and Miss Grace Lewis of Hopkins were guests of Mr. and Mrs. R. A. Strawbridge Friday night for the inter-high declamatory contest. Miss Lewis remained for the track meet Saturday.

WILL MAKE BOYS HUSTLE.

The Girls Between Ages of 10 and 20 Will Have to Be Reckoned With at State Corn Show.

In the past the boys enrolled in the Missouri boys' corn growing contest have had a nice, quiet little time dividing up \$1000.00 in prizes at the state corn show. But this year they will have the girls to reckon with for the contest has been opened to both boys and girls between the ages of 10 and 20 years. It is just as easy for a girl to get a share of this prize money as it is for the boys. The girls will not be required to do any of the actual work but will be expected to keep all records and pick their sample of corn for the state corn show. Of course there is no objection to girls doing such parts of the work as they

can do. There must be at least two girls in every corn growing county of Missouri who are sufficiently interested to get into this contest and make the boys hustle. Besides these prizes the Missouri women farmers' club will give a \$25.00 cash scholarship in the college of agriculture to the girl between the ages of 15 and 20 who wins first prize in the contest. This is your chance to show what Missouri girls can do when they try. Corn planting time is near. Records should be kept from the start, so send your name today to T. R. Douglas, secretary Missouri Corn Growers' association, Columbia, Mo., and get full particulars concerning this chance to win your share of this fine lot of premiums.

Find Out How High Your Farm is Before Planting Grain.
Following is an interesting suggestion taken from the current issue of Farm and Fireside:
"Consult your geographies and find how high you live above the sea level, for that will make a difference in the kind of corn you ought to plant."
"Co-operative tests conducted over a period of three years show that varieties of flint corn are better adapted for the production of ripe grain and stover than dent varieties. For elevations of from 600 to 1,000 feet, flint corn was best for grain, and there was no decided preference as far as stover was concerned. For elevations less than 600 feet, dent corn is best for grain, stover or silage."
"Other information on this subject seems to show that as we go north from New York state the effect of the increased latitude is similar to that of a higher altitude, and vice versa. Thus in the New England states flint corn does well at about sea level, and dent corn grows successfully in the south even at high altitudes."

A marriage license was issued Saturday by Recorder Wray to Wm. L. Merrigan of Clyde and Miss Rose Shiefelbusch of Blytheedale.

For Burns, Bruises and Sores.
The quickest and surest cure for burns, bruises, boils, sores, inflammation and all skin diseases, is Bucklen's Arnica Salve. In four days it cured L. H. Haffin, of Iredell, Texas, of a sore on his ankle which pained him so he could hardly walk. Should be in every house. Only 25c. Recommended by the Orear-Henry Drug Co.—Advertisement.

HONOR OF STATE AT STAKE

Panama Exposition Board Criticizes Proposed Land Legislation.
San Francisco, April 25.—Resolutions committing the directors of the Panama Pacific International exposition to an attitude toward alien land legislation opposed to that of Governor Johnson and the majority of the legislature were adopted at a meeting of the board. The intent of pending bills declare the resolutions, challenge the honor and good faith of California.
The resolutions set forth that California was selected by congress, at its own urgent request, to act for the nation as host to all nations who desire to join in celebrating the opening of the Panama canal; that California accepted this trust and that "any action by the legislature offensive to any foreign country, to their pride as a people or their honor as a nation, must challenge the good faith of the commonwealth."
President Charles C. Moore regretted the necessity, he said, of coming into direct conflict with the state administration, but the necessity existed and was not of his making.
"The attitude of the legislature," he said, "has shown such apparent disregard of the solemn pledges made by California to the people of the United States that the course taken by the directors was imperative."
"Proposed legislation is aimed directly at the Japanese. The final wording of the administration bill may not read that way on the surface, but there has been no disguise in debate that the measure sought is aimed at the Japanese and there can be no denying that for all practical purposes, it will affect only the Japanese."

To Put in New Front.
In the city hall building, which is being remodeled, a new front will be put in, as the old one is about ready to fall in. The second story of the building has been taken down, and the first story will be used for the fire department and as a city jail. The fire team is being kept at the Union bus barn during the improvements on the building.

Arrived From Colorado.
Mrs. J. A. Stephenson and children of Colorado Springs, Colo., arrived in Maryville Saturday noon on a visit to her mother, Mrs. C. L. Wright, and to Mr. Stephenson's parents, Mr. and Mrs. James M. Stephenson, who live east of the city.

Miss Ruby Lorange of the Plattsburg school arrived home Saturday in time for the track meet and will visit until Monday with her parents, Mr. and Mrs. J. A. Lorange.

H. J. Becker went to St. Joseph Friday evening to attend the executive board meeting of the District Christian Endeavor society, which will meet here this summer.

Mr. and Mrs. J. J. Mahoney, Jr., of Oklahoma City, Okla., who have been visiting Mr. and Mrs. J. J. Mahoney, Jr., for several days, left for their home Saturday morning.

Mr. and Mrs. David Mitchell of Skidmore spent Saturday in Maryville the guest of Mr. and Mrs. Robinson Craven.

Mrs. J. W. Raines of Rockport, who has been visiting her son, H. L. Raines, and family, returned home Friday.

Miss Mattie Willson and Mrs. Roy Willson of Barnard were Maryville business visitors Friday.

Miss Nell Hayworth and Miss Angie Waldere of Parnell are track meet guests of Miss Lela Caudle.

Miss Blanche Rozelle of Maitland is the track meet guest of her sister, Mrs. Cleve Moyer.

Dr. Grace Phelps returned Saturday morning from a business trip to Jefferson City.

When In Doubt Pass a Law.
In the course of an interesting discussion in the department called "The Interpreter's House," in the May American magazine, appears the following:
"When something happens that we do not like, what is the first thing we say? There ought to be a law against it. Every time! That is the unconscious tribute we all pay to the queerest, the most naive and stupid superstition in a world, where all superstition dies hard enough—that all you need to do to stop anything is to pass a law against it."
"No amount of experience, apparently, will free the minds of men from the incubus, the hoodoo, of this extraordinary superstition. No matter what the issue! If you want to stop gambling, spitting, combinations of capital or of labor, prostitution, college fraternities, the high cost of living, arson, saloons, monopoly in restraint of trade, the turkey-trot, burglary, tips, walking on the grass; whatever it is, there is only one thing to do—pass a law against it. Then everybody will be contented; everybody will believe that the offense will cease at once, or at least as soon as you have gotten a sufficient number of people in jail. Only get enough laws passed, and above all, if you can only get enough people in jail, you have realized the average man's millennial hopes."

STOP! HAWKING IN MORNING.
Simple Way to End Catarrh Without Upsetting the Stomach With Medicines.
Do you, dear reader, really want to forever rid yourself of catarrh? Do you like to hawk and strain and choke and upset your stomach trying to get that accumulation of mucus from your throat every morning?
It's easy to end catarrh if you will only try. Go to the Orear-Henry Drug Co. today; say "I want a Booth's HY-OMEI outfit." Take it home; breathe according to directions the pleasant germ-killing balsams from the Eucalyptus forests of Australia, and if it doesn't stop hawking, snuffling, clear up your stuffed-up head and drive out all catarrhal misery, money back.

One dollar secures a complete outfit, including inhaler. Extra bottles if needed, 50c. Just breathe it—no stomach dosing—Advertisement.

FOR QUICK SALE.
Party desiring to leave the city at once wants to sell at low price a 6-room house with four lots, with all kinds of fruit. Acetylene plant, brick cave, barn, chicken house, three blocks of Normal school building. Price \$3,000.
A 5-room house with two lots, on paved street, four blocks of square, \$1,400. Be quick for a bargain.

TRADES.
We have three resident properties in St. Joseph, Mo., to exchange for city property. These properties are well rented. The owners live in Maryville and want property here.

DON'T FORGET
The orchard belt of Texas, where you can get land on the crop payment plan. The soil and climate about the same as Nodaway county, only the winters are shorter and not so severe. You can buy land that will double in value in a short time. These are railroad lands and the opportunity is limited, but the chances for gain are large. Excursions every first and third Tuesday in each month. Come and go with us. We are Missourians and can show you.
WHAT HAVE YOU TO SWAP?
List it with us, tell us what you want and we will find it for you. No charges for trouble unless exchanges are made.
If you want something and don't know where to find it we will find it for you.
